

Chapter 1

The Mindset

People have been bound by wrong beliefs or assumptions that limit them and make them feel it is impossible to achieve their vision. Visions have been made inactive because of wrong mindsets. They feel inferior to their mates or their environment. The devil is at the edge of destroying destinies with this wrong mindset. What you are today is where your mind positioned you, it takes God in your life to

make you see beyond where you are currently. You need to break out from the impossibility and step into reality. It is not about where you are now, it is about where you see yourself going, and it's only a renewed mind that can take you there by realizing what God has in place for you. In every individual God has put enough resources to get the person to manifest.

The mind is the element of a person that makes them aware of the world and their experiences, feelings; the faculty of consciousness and thought. It is a part of the human being that many people are not conscious about. People spend a lot of time

and resources on clothes but invest very little in their minds.

When you ask people the amount of resources they have invested in their minds, the majority will say they have invested nothing or others may not even understand what you mean. A lot of people do not know that the mind needs to be trained. The training of the mind can be done by studying and hearing the word of God.

The Importance of Reading

In 2 TIMOTHY 2:15.

“Study to show thyself approved unto God, a workman who needeth not to be ashamed, rightly dividing the word of truth”.

John 6:63

It is the spirit that gives life; the flesh profits nothing: the words that I speak unto you, they are spirit, and they are life.

When you read the word of God it changes you. The word of God creates balance in our life that gives us vision. As we read it goes through our mind (that's your thinking faculty), ears, heart and creates a living spirit in us. If what we read is negative, it creates a

negative spirit. If it's positive, it creates a positive spirit. That's why the scripture says, *"The entrance of the word gives life" Psalm 119:130.*

The word of God is God and if in you, you will start manifesting and start experiencing greatness and things people sees as impossible will start becoming possible in your life.

Psalm 84:11 Said.

For the LORD God is a sun and shield: the LORD will give grace and glory: no good thing will he withhold from them that walk uprightly.

When you have the word of God in you and walk upright, no good thing will be withheld. That means, whatever that is good will not

be withheld. Note, you can be a Christian and still suffer, just like you can be in your father's house and maids control you and tell you what to do, why?, because you have not grown. In order to get all good things, you need spiritual growth.

Hebrews 5:14

But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.

Is only the grown that is entitled to blessings and strong meat. When a baby takes strong meat, it harms the baby, so it is to Christians asking for some blessings, you do not get it, because it will harm you.

The Importance of Hearing

Romans 10:17,

“So then faith comes by hearing, and hearing by the word of God”.

It is important to be careful of what you listen to, because it will take over your mind, control your thinking, words and behavior. If those aspects of your life are being controlled, you have nothing left. As a Christian, you must not allow everyone speak into your life or future and it is not everyone you must engage a conversation with, as words are powerful to change our life positively or negatively. It is not everyone that should speak to you about your vision and life, because what you hear matters a lot in your

life. The enemy is after your mind and the only way they can get it, is through what you hear, read and see. Words are so powerful that it can be of blessings and pains/cruse.

John 6:63

It is the spirit that gives life; the flesh profits nothing: the words that I speak unto you, they are spirit, and they are life.

The word is received through hearing or studying the word of God. Words are spirit. As a child of God, you need to be careful with words you speak and hear. There is only one way you can maintain a strong foundation of your life and resources, which is by putting the word of God into yourself. There is power in the word of God, it

changes life, it heals the sick, it breaks chains and resurrects the dead and it is able to make you great.

Negative thinking is a deadly sickness that you need to kill. You cannot enjoy the blessings of God that has been given to you until you renew your mind. Hard work without a renewed mind yields no profit. God is the only source of a new mind, positivity and productivity.

John 1 vs 1-5

“¹In the beginning the Word already existed. The Word was with God. ²He existed in the beginning with God. ³God created everything through him, and nothing was created except through him. ⁴The Word gave life to everything that was created, and his life*

*brought light to everyone. ⁵ The light shines in the darkness, and darkness can never extinguish it. **”

The world was created through the word, this is to let us know that the word is so powerful and it can create, which means it can create our future. If you can put the word into practice, your life will be free of problems and disappointment. The word has the capacity to create, heal and deliver. Life will not give you what you want but what you demand. Demands can only be made by people who know what belongs to them. Knowing your right gives you authority to speak into your future and take what is yours. As a child of God, it is your right not to be

sick, the Bible made us to understand in
Jeremiah 29:11-13 (KJV).

¹¹For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end. ¹²Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. ¹³And ye shall seek me, and find me, when ye shall search for me with all your heart.

It is your right as a Christian to be in perfect health. Prayer can heal you, but the word of God in you will keep you healthy.

Psalm 107 vs 20

“He sent his word and healed them, snatching them from the door of death”.

John 1 says that the word was God and from Genesis, we understand that the world was created by the word. God is the word and the word became flesh which is Jesus. Brothers and sisters, there is no doubt that the word is God and Jesus is God, and if so, when you feed yourself with the word, God starts living in you, and the word which is God starts manifesting in you and great things start happening.

The word of God in you is the only thing that can save you. On a problematic day, when you speak the word in you, things will change. Permit me to tell you, the Bible will not heal you but the word of God in you will heal you. It does not matter how big your

Bible is, how long you carry the Bible, how many times you go to church, what matters is the word in you and how much you grown in the word of God and your commitment. Are you still a baby taking milk, it is time to eat solid food.

1 Corinthians 3:2

I have fed you with milk, and not with meat: for hitherto ye were not able to bear it, neither yet now are ye able.

Hebrews 5:14

But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.

It is time you start eating solid food, grow in the spirit and not in the flesh. We have a generation of people who are more interested in their physique and many other physical aspects, but their spiritual life is sick and weak. Beloved, growth is a personal responsibility, which must be taken by every child of God.

When you grow spiritually, you will start manifesting and performing. This growth begins in your mind, as you have to change the way you see things; the way you approach things. The absence of spiritual growth brings you under control of the devil, he can direct you and destroy what the future holds

for you. You will be under the power and control of the devil.

Galatians 4 vs 1-3

¹Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all;² But is under tutors and governors until the time appointed of the father. ³ Even so we, when we were children, were in bondage the elements of the world:

This passage helps us to understand that its only growth that can take us away from being under the control of sickness and failure. God has saved us, but we need to grow. Based on the above Bible passage, the child is the master of the house, everything in the house belongs to him, but he has no control over until he is fully grown. At that moment,

he cannot just do as he wishes as he is subject to authority and must obey the instructions.

His whole life is under control by someone who deprives him of his rights and blessings. He may apply for a job and get invitation for an interview, but he can only go for the interview or get the job if the people in control gives him the permission. Whatever blessings he gets is little compared to his father's abundance. When you refuse to grow your life is like that child and the devil controls it.

When that child matures the maids and servants will start respecting him, as they will hand over everything that belongs to him and they will be under his authority. When

you grow the devil runs from you, you become in charge of your blessings.

As you read this book, every blessing of yours that is not under your control, in the name that is above every other name, the name of Jesus, let that blessings be delivered to you now. It is your time of testimony, your time of laughter. You will not be ashamed anymore, because God has come down to deliver you. You are no more under the control of the enemy. I declare to you my brother and sister, it is not time to give up, and it is not time to cry, Amen.

As the Bible says, faith is now. It is time to take responsibility for your growth and to

renew your mind. The Church can only feed you, but you have to grow by yourself.

Restricted By Belief

A man in a hospital was paralyzed and the doctors told him that he would not be able to walk again and he was admitted. Every night the man would be laid on the bed with his face up, but in the morning he would wake up laying on his side or face down. This happened for a while and the man asked the doctor to discharge him. He said I am happy and grateful for all your effort, but I need to go home so I can walk.

The doctors did not understand, but sometimes in life, you need to move away from negative beliefs in order for you to start walking. The sick man kept speaking to himself, if I can turn when sleeping, that means there is still life in my legs.

Beloved, with faith and a renewed mind, the man started walking. You are restricted by your belief and what you hear. A man was told that he has few weeks to live, so he started preparing himself and started looking for his relatives. One night he was passing a Church, he decided to go in and worship. Fortunately, the Church was having a 3 days program. The first day, the man heard the word and he adjusted, second day he

adjusted and the third day, he said I cannot die, I believe Gods report and not doctors report.

Beloved, if you can take the word of God and apply it in your life, everything will change. The brother took the word and he applied it to his life.
