*God Almighty deserves all the glory and praise, He owns it. I acknowledge the heavenly Father for the grace, inspiration and wisdom to write this book.*

*I sincerely appreciate Mr & Mrs Amaji for their support, love and the opportunity they gave me. I have them with me always, in good times and bad times. One of the thing that kept me going is their passion to(for) greatness, their fight for their vision. Above all, having a peaceful family is a key to greatness, with a great love to my wonderful brother and special sisters. I can never ask for another family and love. Special thanks to all the ministers of God that I have come across, I am grateful meeting you all, because I have been bless through the word God gave you. I also*
